

**Penticton's Twin Lakes Golf Course –
Appoints General Manager, Ron Hosner**

Kaleden, BC, January 26, 2011 – Twin Lakes Golf Course Ltd is pleased to introduce Ron Hosner as General Manager, who will report directly to the Board of Directors. Mr. Hosner will be responsible for Golf Course Operations and achieving the golf course short and long term goals.

Ron's previous experiences include ownership in several successful food service and entertainment businesses, responsible for opening several National Franchise Food Service locations in British Columbia and Alberta, and has over 30 years experience in related customer services businesses.

In addition to his business achievements, Ron has held Directorship positions with The Whistler Chamber of Commerce, Tourism Whistler, Garibaldi Golf Club, Big Sky Golf Club and is currently an active Director with the WW Golf Scholarship Foundation. Ron is well known and respected for his work with each of these organizations. His experience with managing staff, working with members and customers, will benefit him in this new role.

"Ron has been living in Penticton for the past three years with his family; he has a strong passion for wine tasting and interacting with people. We are confident his community involvement and passion for the game of golf will be well received by members and guests of Twin Lakes Golf Course," explained Chris Couzelis.

Ron will make himself available any time after February 1, 2011 for inquiries you may have regarding the 2011 golf season. Ron is looking forward to meeting all the members and working with the team at Twin Lakes to provide a great golf experience for everyone.

About Twin Lakes Golf Course

Located 15 minutes from Penticton Airport in beautiful sunny South Okanagan, Twin Lakes has a 18 hole championship golf course in a spectacular setting and with the nearby trout stocked lakes, hiking/biking trails and Apex Mountain Ski Resort, all which will provide the Twin Lakes area with year round activities. Over the past three years, the new Ownership Group has been investing in improving the golf course playability and conditions with the goal to have the course as a must play when golfers visit the South Okanagan area. In tandem, a 200+ lot sub-division overlooking the golf course is the secondary project in process and when complete will create an expanded Twin Lakes community.
